

WICHITA ART MUSEUM

MUSEUM MANNERS AND TIPS FOR ADULT TOUR GROUPS

For the best possible learning experience, please read this carefully and go over the checklist with your group before you arrive at the Wichita Art Museum

- If you have scheduled a guided tour, your docent (the guide) will contact you prior to your visit. Please let him or her know of any special needs or requests, confirm your tour, and discuss the length of your visit to the Museum.
- Free parking for buses and cars is available in the parking lot on the west side of the Museum, or across the street south of the Museum.
- Wheelchairs are available. Inquire at the welcome desk or speak with a security guard. If you know of your need in advance, please call the education office and we will have the wheelchairs waiting for you at the entrance.
- If you have scheduled a guided tour, please let us know if you have planned a gallery activity in addition to the tour.
- Photographs may be taken of the artworks in the permanent collection. Stop by the welcome desk to get a permission form. Photographs of objects on loan and the use of flash or tripods are not permitted.
- Please do not touch any of the artworks or lean against the walls or pedestals. Guards are on duty to prevent accidents and damage. If they approach you, please follow their request – they are performing their assigned duties.
- As a precaution against accidental damage to the art, we ask that you do not use objects such as eyeglasses, pencils, or brochures as pointers.
- Make an appointment to visit the Art Resource Center where you can check out videos, posters, slides, books, or teaching packets to use as an introduction to the Museum. Call 268-4921 for more information.
- Please do not bring food or beverage into the galleries.
- Look and look some more, ask a lot of questions, and tell us your ideas. Most importantly, have fun!
- Visit our website for an introduction, or follow-up, to the Museum and its collection.
